"Occupational Health, Safety & Environmental Policy"

PEC LTD is to provide a safe & healthy work place for all employees, support environmental protection and comply with all applicable legislation, codes & practices and other requirements.

The Company shall:

1. Enhance employees' knowledge on occupational health, safety and environment through continuous education and training.
2. Provide appropriate resources to eliminate unsafe practices to attain a workplace free from occupational injury and illness with an accident-free performance.
3. Conserve natural resources by reducing waste generation and contamination of air, water and land, ensuring that wastes are disposed off in a safe and environmentally sound manner.
4. Instill in all employees working for or on behalf of PEC to accept personal responsibility to themselves and their fellow colleagues to ensure that all work is performed safely and environmental friendly.
5. Continually improve the systems and practices through periodic assessment.
6. Motivate employees to participate in Workplace Health Programs which encourages healthy lifestyle

We are committed to be a leader in Occupational Health, Safety and Environmental protection.
