"Quality Policy"

PEC LTD shall always provide quality and reliable products and services that meet requirement and specification of our customers. We aim to achieve and sustain total customer satisfaction.

We are personally responsible for our work. Each individual employee knows and understands the requirements of the tasks to be undertaken and the importance of quality, and of doing things right for the first time and for every time.

The Company shall:

1. Implement & maintain our Quality Management Program
2. Regard Quality Management as critical to business success and hold employees at all levels accountable to Quality.
3. Continuously monitor client requirements.
4. Provide the specific means by which all employees can identify and eliminate obstacles to improving the Quality of their own work.
5. Train all employees in the principles and method of Quality improvement.
6. Achieve continual improvement through periodic system assessment and implement effective process control.
